KULAPATI CUP RUNNING SHIELD PROPOSAL

Introduction

Gandaki University aspires to perform a structured and standardized continuous sports championship while teaching and studying. This "Kulapati Cup, Running Shield" competition will be a recurring annual series for Gandaki University. The program's primary goal is to aid in Nepal's athletic development. The only university to provide this innovative BSM course also aims to develop effective administrative practices in sporting events while involving students in doing it realistically.

Objectives

The competition's main objectives are to:

1. scout potential talent from across the country.
2. provide a stage for players to demonstrate and develop their creativity and skill.
3. regularly host a professional futsal tournament for both men and women in the country for the growth and promotion of futsal.
4. help develop players for the country.

Input

The competition will be run by the Gandaki University in the Gandaki Province. All interested schools must enter the competition through proper registration process. The Gandaki University organizing committee then will host the tournament within district teams in Pokhara for five days.

Tournament Structure

There will be only one phase of the tournament, which takes place in Knock-out Format.

Planned Time Frame

The competition's planned schedules is provided here.

Kulapati Cup Running Shield		
Date	Venue	Remarks
9 th -13 th Magh, 2079	Pokhara Stadium	

Budget

The estimated budget necessary for the competition is presented below:

Output

With the promotion of its BSM program, this competition brings Gandaki University to every door in Gandaki Province. This competition also advances the trends of systematic sports event organization, talent scouting, a platform for players from the Gandaki Province, player development for the country, etc.

Conclusion

Gandaki University will host the ultimate tournament within district teams in Pokhara for five days. The competition aims to promote futsal and provide a platform for players from the Gandaki province to showcase their talent. In conclusion, the growth of sports coincides with the development of society.
