KULPATI CUP RUNNING SHIELD

PROPOSAL

Introduction

Gandaki University (GU) is located at the beautiful city of Pokhara, which is gradually emerging as the education centre of south-east Asia. It is nestled in the foothills of the Fishtail and Annapurna Mountains and situated in the valley of the lakes. To deliver a top-notch education in line with the most recent global trends in tertiary education, Gandaki University was founded in 2019. Included in this are interdisciplinary subject selections and student-centered teaching strategies that will help students achieve their long-term objectives and aspirations. With aspirations to rank among the best universities in the world, Gandaki University is created to be a premier national hub for excellence in higher education in Nepal. In addition, Gandaki University offers a comfortable setting for both teaching and research.

The Bachelor in Sports Management (BSM) program at Gandaki University is the first institution of higher learning in Nepal to offer this pioneering education in sports. BSM is a full-time, four-year program that lasts eight semesters and consists of 52 courses totalling 156 academic credits. The program focuses on developing competencies for beginning a professional career as well as managerial jobs in sports management and pursuing advanced management knowledge. It is built on essential subject areas, basic concepts, and practical aspects.

Gandaki University aspires to perform a structured and standardized continuous sports championship while teaching and studying. The "Kulpati Cup, Running Shield" competition will be a recurring annual series for Gandaki University. The program's primary goal is to aid in Nepal's athletic development. The only university to provide this innovative BSM course also aims to develop effective administrative practices in sporting events while involving students in doing it realistically.

Objectives

The competition's main objectives are to:

- scout potential talent from across the country
- provide a stage for players to demonstrate and develop their creativity and skill

- regularly host a professional futsal tournament for both men and women in the country for the growth and promotion of futsal
- help develop players for the country.

Input

The competition will be run by the Gandaki University in the Gandaki Province. All interested schools must enter the competition through proper registration process. The Gandaki University organizing committee then will host the tournament within district teams in Pokhara for five days.

Tournament Structure

There will be only one phase of the tournament, which takes place in Knock-out Format.

Potential Participants

The numbers in the box reflect how many teams could potentially compete in the Kulpati Cup Running Shield.

Province	Districts	Expected No. of Participants

Kulpati Cup Running Shield		
Date	Venue	Remarks
9 th -13 th Magh, 2079	Pokhara Stadium	

Budget

The estimated budget necessary for the competition is presented below:

Output

With the promotion of its BSM program, this competition brings Gandaki University to every door in Gandaki Province. This competition also advances the trends of systematic sports event

organization, talent scouting, a platform for players from the Gandaki Province, player development for the country, etc.

Conclusion

Gandaki University will host the ultimate tournament within district teams in Pokhara for five days. The competition aims to promote futsal and provide a platform for players from the Gandaki province to showcase their talent. In conclusion, the growth of sports coincides with the development of society.
